

Year 10		
Activity	Description	Gatsby Benchmark
Work Experience	Students undertake one week of work experience in the summer term.	5, 6
Form time enrichment	We provide weekly tutorial session which looks to develop individual thinking, about how we develop the skills and tools that will enable a successful career.	1, 3
Careers Fair	Year 10 students are invited to attend our annual Careers, with opportunity for attendance with a parent or carer. We have range of employers, colleges, apprenticeship providers and university representatives on hand to offer guidance and answer any questions.	2,3,5,7,8
Start of 1:1 Careers Guidance	Individual interviews with a qualified careers advisor, will begin in the spring term. Follow up interviews are also available.	3, 8
Mock interview practice	Students are invited to take part in a mock interview, receiving valuable feedback from experienced employees.	
College Taster Days	Students are given the opportunity to attend an organised taster day at various colleges.	7
Alumni/Guidance buddy Programme	To seek to create an environment where we can plan meeting ex-students/current GCSE students to raise aspirations, promote different study or career pathways or share expertise in specialist subjects.	3,7
Financial Literacy	During tutorials students will be offered guidance on the information and tools required to be successfully financially literate and understand pay and conditions of work, mortgages and paying bills etc	2
Subject specific activity	Opportunities are provided to support future study or career options through targeted visits or trips including dance, drama, music and arts and STEM	2,3,4,5,7
Termly assemblies	Assemblies to include a look into different career sectors, and educational pathways available to them including inviting visiting speakers to showcase their own career paths and raising aspirations	3,5,7
