## GCSE and Vocational Exam Dates 2026

Monday	22 <sup>nd</sup> June		
Tuesday	23 <sup>rd</sup> June		
Wednesday	24 <sup>th</sup> June	<b>*Contingency Day: This is the official end to the examination period and students must remain available until this date</b>	

\*The awarding bodies have designated **Wednesday 24 June 2026** as the 'contingency day' for examinations. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland: <http://gov.uk/government/publications/exam-system-contingencyplan-england-wales-and-northern-ireland>

The designation of 'contingency days' within the common timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations. Centres must therefore remind candidates that they **must** remain available until Wednesday 24 June should an awarding body need to invoke its contingency plan.

**Results Day** - Thursday 20<sup>th</sup> August 2026
