Parent/carer voice

Dear Parents and Carers,

As a school we are always seeking to explore opportunities for improvement to enhance your child's experience at New Mills School. We value your insight and believe that your voice plays an essential role in shaping the experience and wellbeing of our students. Over the next two weeks, we will be gathering the thoughts and opinions of our parents/carer, students and staff in the form of Microsoft forms activities.

Parents/carers are encouraged to complete this survey to share thoughts, feedback, and suggestions with us. Please access the survey by clicking on this link - [Parent/carer voice - February 2026 – Fill out form](#)

The deadline for completion is **Sunday 8th of March 2026**.

Your responses will help us better understand what is working well and where we can continue to grow as a school community. All responses will be treated with confidentiality.

The finding of our surveys will feed into our whole school improvement priorities for this academic year and beyond.

Thank you for taking the time to support us and for being an important part of your child's learning journey. We appreciate your contribution and look forward to hearing your views.

Best wishes,

Mrs Emma Adrio
Deputy Headteacher
