Dear Parents/Carers

Mock results and Mock drop-in evening.

We have been very proud of the majority of our Year 11 students in their behaviour and attitude during the recent Mock exams. We are therefore very much looking forward to seeing what results students have achieved, but more importantly what information we can gather that will allow us all to help students to make even more progress.

I am therefore writing to inform you that Mock results will be given out in an assembly in the week commencing 1st December 2025. I know that you will also be very interested in these results and will want to reflect upon them.

I am also inviting parents and carers to attend a 10-minute meeting with myself to discuss how we can work together to maximise students' progress. I will be available from 4pm until 6pm on Thursday 4th December 2025 in the school Library. Please enter via school reception and then down the stairs immediately in front of you.

If you would like to make a booking, please do so via the school parents evening system on School Cloud.

Yours Sincerely,

Mr Taylor
Year 11 Lead
