Dear Parents/Carers,

We have been made aware that several titles in the **Spy Dogs, Spy Pup, and Spy Cat series by Andrew Cope** contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to unsafe material, containing inappropriate content with no age restrictions.

We do not hold copies of the books our school library however, we wished to make you aware in case students access them from other sources.

Below are images of some of the front covers in the series to help you identify the books should you have any at home.

Yours sincerely,

Heather Watts
Headteacher
