Dear Parents/Carers,

I would like to remind you that the Year 11 Maths mock examinations will begin after the half-term break.

The examination dates are:

- **Paper 1 (Non-Calculator): Tuesday 3 November, 9:00am**
- **Paper 2 (Calculator): Thursday 5 November, 9:00am**
- **Paper 3 (Calculator): Thursday 12 November, 9:00am**

It is important that students arrive fully prepared for each exam with the correct equipment:

- Black pens
- Pencils
- Ruler
- Protractor
- Compasses
- Calculator

These mock examinations are a valuable opportunity for students to experience exam conditions and help us identify the areas where they need further support before their GCSE examinations.

Following the mock examinations, all papers will be carefully marked and analysed. Each student will receive a personalised feedback sheet highlighting their strengths and identifying the topics they need to focus on before the summer examinations.

Based on the outcomes of the mock examinations, we may also review examination tiers and class placements to ensure every student is in the best position to achieve their potential. Any changes will be considered carefully and made with the aim of providing the most appropriate support for each student.

As a department, we are committed to supporting every student to achieve the best possible outcome in GCSE Maths. The information from these mock examinations will help us tailor revision, intervention, and classroom teaching to meet students' individual needs.

If you have any questions, please do not hesitate to contact your child's Maths teacher, who will be happy to help.

Our full timetable can be found on our website via the link below:

[Year-11-Mock-Exam-TT-Nov-26.docx](#)

Thank you for your continued support.

Kind regards,

Ms. Ku
Head of Maths
New Mills School
