

## Year 8 Term 1

If you have completed all your science homework set by your teacher, you can choose from this grid

Draw a comic strip about the journey of a pizza through your digestive system as it is eaten.	Make a board game on one topic studied this term.	Research 3 animals that became extinct. Why did it happen?
Make a model of a heart, labelling its key features.	Make a list of all the acids and alkalis you can find in your house.	Describe how farmers neutralise acidic soils to increase crop production.
Keep a food diary and analyse your diet over a week. Is it balanced? What changes do you need to make?	Who were Lamarck and Darwin? Describe the key points of their theories.	Make a timeline for the evolution of humans.
Draw a poster to encourage good health through nutrition.	Look at photographs of your relatives. Can you identify any inherited features in your family?	Watch a documentary on evolution and write a review on it.
